

CAREGIVER ASSISTANCE NEEDED: PICTURES OF ART WORK NEEDED FOR STUDENTS GRADES K-2!

Virtual Art Show K-5

We will still be holding our Annual K-5 Art show in the Spring, only virtually. The wonderful thing about this is that every student will be able to participate this year, if they choose, since it is being done virtually and will be viewed through a Google slide show. Every student in all four schools will be having their own google slide to showcase their art. In Art class, with the help of our wonderful technology integrator, Mrs. Mariani-Prall, Grades 3-5 have been learning how to create their own slide for the show.

Grades K-2: Please send me any artwork that your child has created in Art class so far this year that you would like included. You may send it through class dojo or through my email if that is easier for you! Imacutkiewicz@northampton-k12.us. This work will be assembled into individual slides for viewing. You may send as many as you would like, can include work as far back as from September, and you may continue sending pictures in on an ongoing basis and I will add them as we go! Thank you very much for your assistance with this project.
