

No Treats Please!

In an effort to keep all our students at R.K. Finn Ryan Road School safe and healthy, we have a policy to please not send treats into school for your child's birthday or other special events. If the teacher would like to make a rare exception for a specific event, he/she will communicate with you about that. Otherwise, please do not send any food to school for class consumption.

Teachers will communicate with you about how birthdays will be celebrated/recognized at school. In addition, one of our traditions at school is that every Friday, members of our Student Leadership Team announce all of the birthdays for the upcoming week on the PA system. These leaders also choose a song for the whole community to enjoy.

We appreciate your understanding in knowing that any food items sent in without communication with the teacher will be returned home. Let me know if you have any questions.

With appreciation,

Sarah Madden
Principal
